Case No. 96-899-TP-ALT

Dear Ms. Crockron:

Cincinnati Bell Telephone Company (CBT) proposes to revise its General Exchange Tariff PUCO No. 8 to offer a promotion of its Business Complete Connections service. Business Complete Connections is a nonresidential service that provides a flat rate access line and various optional features, for a single price.

In accordance with the Commission's guidelines for promotional offerings established in the cases referenced above, CBT is forwarding for filing three copies of addendum sheets associated with the tariff pages affected by this promotion. An Addendum Sheet, in the form authorized by the Commission, is being issued for CBT's General Exchange Tariff PUCO No. 8, Section 45, Original Page 4. The Addendum Sheet supersedes the tariff pages during the promotional period. The Addendum Sheet specifies the terms, rates and charges that will be in effect for services included in this promotion, during the promotional period.

Nonresidential customers who meet the terms of this promotion will receive a one-month waiver of the nonrecurring charge of \$10.00. This promotion is available beginning September 3, 1999 through December 3, 1999.

This is to certify that the images appearing are an accurate and complete reproduction of a case file document delivered in the regular course of business.
