Dear Sir,

We are writing to protest FirstEnergy's plan to take away the rate discount for all-electric homes. When building our home in 1976, FirstEnergy convinced us to go all electric and we were given an all-electric discount.

Why is this being rescinded?

You mislead us.

We believe this is an unfair practice.

Please reconsider your position on this issue and keep your promise to the all-electric homeowner.

Sincerely,

  
Steve Brunow
