Alan H. Schriber ~~Chairman~~
Public Utilities Commission of Ohio

Dear Mr. Schriber:

FIRST ENERGY has reneged on its
promises of discounts for all electric
homes. Winter bills have doubled.
Many of us are living on retirement
incomes. The payments are difficult
to make.

If one wanted to sell one's home,
it would be tough! When a buyer
considered the heating and cooling costs,
he would be reluctant to buy.

Please work with FIRST ENERGY in
restoring the discounts.

Sincerely,

Ben White
