Case 10-176-EL-ATA

3005 Bayfield Drive  
Huron, Ohio 44889

July 29, 2010

Alan R. Schriber, CHAIRMAN  
Public Utilities Commission of Ohio

Dear Sir:

Because I am an owner of an all-electric home, I find myself in an uncomfortable position. FIRST ENERGY has reneged on the promise of a discount for my home and all my neighbors' homes. My winter bills have doubled. Coming up with the payment is extremely difficult when one is on a retirement income.

If any one of us would wish to sell a house, it would be a tough proposition. When a buyer considered the heating and cooling costs, he would be reluctant to buy.

Please give me and my neighbors some consideration. Work with FIRST ENERGY to restore the discounts.

Sincerely,  
Ruth M. Baker
