Notes:

I want the PUCO to know that I am a widow and a senior citizen and I need my electricity discount. We were promised the discount for life if I had a all electric home. I have an all electric home. There are such a few all electric home in the state of Ohio that we should have the discount. Many in my neighborhood had switched to gas for their homes. I cannot afford to do a switch. I am on a budget of Social Security and retirement. Please help us keep our discount
