Docketing Case No.: 10-176-EL-ATA

Notes:

None of the all-electric home meetings are scheduled for north- eastern Ohio. As a school teacher in the area I can tell you that there are a lot of people without jobs and who are barely holding on to their homes. We all need to be heard on this issue and it is a shame that the Electric Companies continue to do as they wish and the PUCO does little to stop it. We were told when we built our homes that if we built all-electric homes that we would get discounts as long as we lived in those homes. Even as a professional, I can not afford to pay the huge increases that they have planned. Dave and Tracie Murduck
