Docketing Case No.: 10-176-EL-ATA.

Notes:

If First Energy made unwise promises about perpetual discounts it is ridiculously unfair to expect other rate payers to make up the slack. We have enough problems paying our own utility bills, and owners of all-electric homes certainly wouldn't be expected to help with our gas bill if/when that goes up. First Energy's management acted on behalf of its company and stockholders, so the stockholders should be the one to take the hit. NOT ME!!! NOT MY PROBLEM!!!
