Docketing Case No.:
10-176-EL-ATA

Notes:

Please docket the following in the case number above. Thank you.

COMPLAINT DESCRIPTION:

All electric homes should be charged as much as gas homes, not more. Please adjust our bills to reflect the cost of home heating as if we have natural gas heating instead of electric heating. I do not think it is fair for us to pay less at the expense of others having gas heat, but because the electric company offered discounts for years, I do not feel it is fair to jump our bills well above gas rates.

Thankyou,

Peter and Christine Voloshen
