To over 100,000 customers for
over 30 years? What right does
the State have to allow the
Illuminating Company to break
this contract? We demand
that any "all-electric" discount be
restored on a permanent basis, and
the P.U.C. mind their business!

How many times does the Illuminating
company have to tell its all-electric
customers that they will receive
a discount, isn't over 30 years of
telling its customers they will re-
ceive this discount long enough
to establish a legal verbal con-
tract?

P.S. I will see you in Leonard M. Billette Jr.
Court! 766 Centennial St.
Geneva, Ohio 44041
