Gentlemen,

I don't know if you know this fact about Case # 10-176-EL-ATA, The Electric Co Trying To Raise Rates on All Electric Homes, but the Street I Live on has Two Utilities on it, Water and Electric. When we called The Gas Co on putting in Gas Lines, They Said That Every one in my area, 50 houses, would have To connect To The Lines with Some kind of Gas usage. I'm sure The Electric Co's Know This Fact, Therefore we believe we are being held hostage by These Two utility Co's. Please Help Us.

Thank You
Richard I Polavka
