RECEIVED-DOCKETING DIV

Dear Mr. Schreiber:

Re: Case #10-0176-EL-ATA

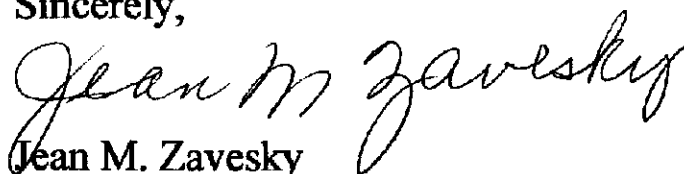

We built our dream home in 1999. It has since become the nightmare of our dreams. All due to the failure of the electric company and their representatives to keep their promise.

My worst nightmare is this: If my husband predeceases me, I would not have enough income to keep up the home we built together with loving hands. My income would be approximately \$1400/mo, The electric bill would be \$1000 of that.

So the scenario is this I can't sell it. I owe the electric company and they would end up owning the house.

I urge you with all my heart to hold the electric company responsible and to honor their contract with all of us.

Sincerely,

Jean M. Zavesky
