COMMENT DESCRIPTION:

Well it looks like duke energy made another deal with board members again raising rates using 1000kwh increase \$4.14 3.1%. People are looking to find ways by cutting cost to heat there homes using electric instead of gas.I have three children to take care of an been out of work for over 12 months so thanks again.So please send this message to your board members so they understand what is really going on out here in the real WORLD.
