PUCO

Dear Sirs
Regarding PUCO
Case # 10-176-EL-ATA

We purchased our home from First Energy Parade of Homes in 1986 .
We were on the load management billing . We have radiant electric heat , no
duct work .Without duct work it would be very expensive to convert to any other form of
heat .We are on the budget billing and the November bill finally caught up from last
winter and starting over for this winter .

Thank You For Your Time
