COMPLAINT DESCRIPTION:

I am a single mom, now unemployed. I purchased my home 4 years ago this month. I was unaware that my electric was discounted at the time and there would be a possibility of my expense increasing so significant. If I would have known that at the time, I would have not purchased this home. I live in fear that my bill is going to lead to me losing my home. I would love to see the discount permanently reinstated. I plan on attending the meeting in North Ridgeville to plead my case. Sharon Riegelsberger
