Chesterland, OH 44026

Docketing Case No.: 10-0176-EI-ATA

Notes:

Please docket the attached in the case number above.

When we purchased the first of our all electric homes in Chesterland, there was no other reasonable option. We are currently in our second home - all electric and assumed the continued discount. In the coldest of months, we have never paid more than \$250 with the discount. Without the discount, our costs have soared beyond \$500. We are retired and cannot afford this amount. This would constitute half of our monthly budget. We ask/implore that you consider the continuation of the full discount. Our home would not be marketable under these circumstances. We are on fixed incomes that do not increase. Thanking you in advance, The Stratherns
