COMMENT DESCRIPTION:

I look forward to giving testimony on Case #10-176 at the Lakeland Community College on November 23rd. I have not been able to get the formula for the Distribution Rider that will hit us in 2011-2014 so I am very apprehensive that we will be able to stay in our home unless the All Electric Home Discounts are made permanent. Thank you to the PUCO Commissioners for giving us one more chance to tell you how the First Energy customers have been affected by policies which hurt those of us without any other utility options.

Please docket the attached in the case number above.
