Customer Service PUCO
Office of Chairman

This letter PUCO sent in regards to our all electric condo unit.

We moved here from Indiana in 2003 and bought our condo with the understanding that are "all electric" was very inexpensive because of the offered you made with builders at that time.

When we lived in Illinois, Michigan & Indiana we had gas heat because electric was very costly. That's why we were surprised that the cost per month was affordable.

We are on a fixed income ³⁰⁰⁰ like a lot of others and this recent notice about increases is unacceptable.

Hoping there will be an adjust. ment in the near future.

40A White Tail Way. Sincerely, AH # 419-668 2521
