Notes:

Please docket the following in the case number above. Thank you.

COMMENT DESCRIPTION:

Case #10-176 After attending the Strongsville public hearing and hearing the overwhelmingly compelling testimonials concerning restoring the all-electric homeowners discounts permanently, I wish to go on record as supporting this cause. I have lived in my home for over 23 years with this discount in place and never was aware that it was anything but permanent. It would have devastating effects on our ability to afford our current standard of living, which we have worked hard and long to establish.
