Please docket the following in the case number above. Thank you.

COMMENT DESCRIPTION:

I invested in a geothermal unit based solely on the All eclectric rate lasting forever. This was not explained as a promo or limited time offer but a usage level (bulk buy) that merited a reduced rate. There is no natural gas service in my area and Propain is my only option. # 10-176-EL-ATA. Seems like a case that showcases the issues. Thank you for your time and know we are paying close attention to this decision.
