Docketing Case No.: 10-0176-EL-ATA

Notes:

This is in reference to Case #10-0176.

I am a bit annoyed that it took you, the Public Utilities Commission of Ohio, something on the order of five months to make a decision on the Ohio Consumer Council's proposal to question First Energy's marketing practices and their current and past employees about the all electric discounts. I thank you for finally making the decision, but believe you could have and should have made the decision long ago. Amazingly it only took a few hours to appease First Energy when it requested a continuance. Why the double standard?

William M. Bruton
