Re: First Energy Case #10-176-EL-ATA

RECEIVED NOV 12 2010

Dear Commissioners:

As an owner of an all-electric house
we feel that the all-electric rate should not
be eliminated.

When we bought the house in 1976 the
electric company implied the discount would last
as long as we owned our home. It's not fair
to change the rules after all those years.

Please help us receive a fair rate for all
the electricity we use.

Thank you,

Carl G. Mülle
