Re: Leonard Klucar

Docketing Case No.:10-176-EL-ATA

Notes:

As an all electric home owner I have been very dissatisfied with the handling of the all-electric discount fiasco by the PUCO from the very beginning. The PUCO has been playing catch up and is either ineffective or worse purposely not doing the job it was intended to do.

The recent double standard in handling the First Energy motion in 4 hours and delaying a decision on the OCC's proposal for 5 months is inexcusable and unconsionable.

Who do you represent - the consumers or First Energy??? I have serious doubts and am extremely dismayed at the lack of consumer support from the PUCO in this matter.

Please docket the attached in the case number above.
