Re: First Energy Case #10-176-EL-ATA

RECEIVED NOV 15 2010

Dear Commissioners:

When I purchased my home I assumed I would always have my discount. The realtor told me and this is the type of home I wanted because I did not want gas. I have severe seasonal allergies and all electric was my choice. I have purchased a new electric furnace and heat pump recently. When the bill came last winter with the increase my bill was doubled. I can not afford to pay this along with the proposed increase in water and sewer rates.
