PUCO

As a small business owner I am against the new regulations for commercial trucks rated at 10,00 to 26,000 pounds. I just learned of this change and do not have adequate time to prepare before enforcement begins on January 1, 2011.

While I value safety, these rules are excessive and detrimental to my ability to run and grow my business in these difficult economic times.

This is to certify that the images appearing are an accurate and complete reproduction of a case file document delivered in the regular course of business.
