Regarding Case No. 10-0176-EL-ATA

I was unable to attend the meeting on Nov. 23, 2010 at Lakeland Community College regarding the all electric home rate increase.

I am 77 years old and can't drive at night anymore long distances, which would be from Chardon to Kenston for the meeting.

I live alone now and my only income is my Social Security Check. To lose my all electric discount would be a very big hardship on me!

We bought our home in 1963 and were told the all electric discount would last all the time that we lived in the house.

If we lose this discount it would be a very big hardship for all the people owning the all electric homes.

Many thanks to Lorain Ferdo and Tim Grendell for their support on this issue!

Sincerely,
