Gentlemen:

I don't have the convenience of a Computer, so you'll have to bear with a handwritten letter. I have lived in Columbia Park since 1998. My husband is deceased as of Oct. 1, 2006. He was a retired Cleveland Police Officer. When we bought in Columbia Park, we were assured of the "All Electric Discount." It was certainly a selling point of buying in Columbia Park. When the discount was dropped, I certainly panicked! I breathed a sigh of relief when it was reinstated. I know that this discount may be stopped in May 2011! The value of my home has dropped so much with this economy! Can you imagine what a huge electric bill would do to me.

Please multiply my circumstances by a multitude of people living in Columbia Park (a senior community of 55 and over)

This is to certify that the images appearing are an accurate and complete reproduction of a case file document delivered in the regular course of business.

I'm fortunate to have a widow's benefit from the Police Dept. Others may be living only on Social Security or less!

We can't afford to have that "All Electric Home Discount" dropped!

Sincerely,
Alice M. Murphy

P.S. Columbia Park was sold in 2001 to new owners (out of State). Our rent was increased unconscionably. We had to fight that in court. I'm just tired of fighting for everything in life. Keep in mind the people you are dealing with!
