Re: Case No. 10-176

Dear Mr. Schriber:

The undersigned officers of Pinewood Condominium Building #5 Owners Association, Sandusky, Ohio, are strongly urging the Public Utilities Commission of Ohio to extend the all-electric discount.

Our association is comprised of 82 condominium units which are all-electric and most are owned by retired seniors. We feel confident they would all agree in requesting that PUCO extend the all-electric discount. There are four other Pinewood Associations which are all-electric, as well. It is vitally important to all of us here at Pinewood to have the discount.

Sincerely,

PINEWOOD CONDOMINIUM #5 BOARD OF MANAGERS
