To Whom it may Concern:

I live in Columbus Mobile Park in
Olmsted Twp, Ohio, a 55 and over development.
When we purchased our home, we were told that
being an all-electric home, we would receive
the "All Electric Home Discount" always, as
stated by the electric utility (The Illuminating Co)
providing us with electricity. FIRST ENERGY-C.I.E.T.

I am a widow with a very limited
income, and if the all-electric discount is
discontinued, most residents, including myself,
will have great difficulty paying the huge
increase. Most of us pay over \$4.50 per month
for rent & to pay the utility increase would
be devastating.

I ask that you make sure we continue
to receive the discount permanently. Thank you
in advance for your help.

Sincerely,

Ellen Taylor
