MOTION TO INTERVENE OF INDUSTRIAL ENERGY USERS-OHIO

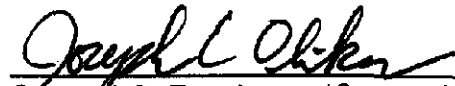

Industrial Energy Users-Ohio ("IEU-Ohio") hereby respectfully moves the Public Utilities Commission of Ohio ("Commission"), pursuant to Section 4903.221, Revised Code, and Rule 4901-1-11, Ohio Administrative Code, for leave to intervene in the above-captioned matters with the full powers and rights granted by the Commission, specifically by statute or by the provisions of the Ohio Administrative Code, to intervening parties.

On December 21, 2010, the Columbus Southern Power Company ("CSP") filed an Application with the Commission to continue the rider initially approved as the Litigation Termination Rider in the *Matter of the Certified Territory of Monongahela Power Company*, Case No. 05-765-EL-UNC, Opinion and Order dated November 9, 2005.

As demonstrated further in the Memorandum in Support attached hereto and incorporated herein, IEU-Ohio has a direct, real, and substantial interest in the issues and matters involved in the above-captioned proceeding, and is so situated that the disposition of this proceeding may, as a practical matter, impair or impede its ability to protect that interest. IEU-Ohio believes that its participation will not unduly prolong or

delay this proceeding and that it will significantly contribute to the full development and equitable resolution of the factual and other issues in the proceeding. The interests of IEU-Ohio will not be adequately represented by other parties to the proceeding and, as such, IEU-Ohio is entitled to intervene with the full powers and rights granted by the Commission, specifically by statute and by the provisions of the Ohio Administrative Code, to intervening parties.

Respectfully submitted,

Samuel C. Randazzo (Counsel of Record)

MEMORANDUM IN SUPPORT

In support of this Motion to Intervene, IEU-Ohio states that it is an association of ultimate customers. A current listing of IEU-Ohio member companies is available on IEU-Ohio's website at http://www.ieu-ohio.org/member_list.aspx. IEU-Ohio's members purchase substantial amounts of electric and related services from Ohio's Electric Distribution Utilities ("EDU").

IEU-Ohio's members work together to address matters that affect the availability and price of utility services. Additionally, IEU-Ohio seeks to promote customer-driven policies that will assure an adequate, reliable, and efficient supply of energy for all consumers at competitive prices. To this end, IEU-Ohio has worked, including actively participating in the legislative process related to SB 221, and will continue to work to produce legislative, regulatory, and market outcomes that are consistent with the state policy contained in Section 4928.02, Revised Code.

IEU-Ohio has a real and substantial interest inasmuch as this proceeding may directly or indirectly impact the provision of electric service to IEU-Ohio members' manufacturing facilities. Specifically, IEU-Ohio's direct interest in this proceeding is the

result of the effect that this proceeding shall have upon the price, adequacy, and reliability of the electric supply and related services within Ohio.

Respectfully submitted,

Samuel Q. Randazzo (Counsel of Record)
