PUCO: To Whom it may Concern,

I Am Writing this Letter in Regards About The Electric Company. it has been on my mind, AND I AM Sure ALOT of others, That The Electric Company WANTS To Stop our discount on ALL electric Homes. I Live in a 55 and over mobile Home park, AND WE ARE ALL on Fixed incomes. IN our park most people CAN Just make ends meet. IF The electric Company is Allowed To Stop the discount on ALL electric Homes, Seniors would have To make Choices of paying their High electric bills, or buy their Medication or Food. We CAN'T Keep up when increases of this Nature Keep going up. Social Security has had NO increases in the past Two years. it's NOT Like The electric Company hasn't made any profits, They have, plus their ~~other~~ businesses. We AS Senior Citizens Are in Need of your help, AND I KNOW you will do your best To stop the electric From stopping our discounts. Thank you For your efforts on this Problem.

Sincerely,

John & Patty Olenicz
