To Whom It May Concern,

I am an all electric home owner. I have a mobile home in Columbia Mobile Home Park in Olmsted Township, Ohio. I am writing you to 1. Complain 2. Ask for our discount back again.

1. I moved into this park in 1978. In 1985 the park moved my mobile home from one lot to another. In this move I LOST my discount. I do not believe this was fair to me. I did not ask to move my home from one lot to another it was done to make room for double wide mobile homes, which are electric and DO get the discount, while I LOST mine.
2. I am asking you to reconsider giving back the electric discount. I would like to be INCLUDED this time around.

People in this park are mostly on limited incomes. I am one of them. Everything goes up except my pay. Our rent has increased, our Water and Sewer has increased and the ELECTRIC has increased. I spend most of my time under covers when home due to it being so cold in my home. Please do something to help us.

Thank You,

Flora F. Ungur

When I moved in this park I lived on 7 Cherry Ln.
