In the Matter of the Application of)
Cleveland Thermal Steam Distribution,)
LLC for Clarification of P.U.C.O. No. 1,) Case No. 10-2977-HT-ATA
Appendix A, Standard Steam Service)
Agreement, Paragraph 26, for)
Recovery of Certain Mandated Costs.)

FINDING AND ORDER

The Commission finds:

- (1) The Applicant, Cleveland Thermal Steam Distribution, LLC (Cleveland Thermal), is a public utility as defined in Section 4905.02 and 4905.03(A)(8), Revised Code, and, as such, is subject to the jurisdiction of the Public Utilities Commission of Ohio.
- (2) On December 9, 2010, Cleveland Thermal filed an application proposing a revision to the Standard Steam Service Agreement which is included in its tariffs as Appendix A. The revision would modify the provision for the recovery of any incremental compliance costs mandated by governmental entities or insurance companies to clarify that such costs would be recovered from all customers. This change does not involve an increase in rates.
- (3) The Commission has reviewed the application filed in this case and finds that it is reasonable and should be approved.

It is, therefore,

ORDERED, That the application of Cleveland Thermal to modify its tariffs is approved. It is, further,

ORDERED, That Cleveland Thermal is authorized to file four complete copies of the new Appendix A, Standard Steam Service Agreement to its tariff, in final form consistent with this Finding and Order. Cleveland Thermal shall file one copy in this case docket and one copy in its TRF docket (or may file electronically as directed in Case No. 06-900-AU-WVR). The remaining two copies shall be designated for distribution to the Rates and Tariffs, Energy and Water Division of the Commission's Utilities Department. It is, further,

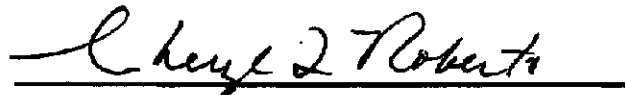

ORDERED, That a copy of this Finding and Order be served upon Cleveland Thermal.
