ENTRY

The Commission finds:

- (1) Rule 4901:1-39-05(F), Ohio Administrative Code, permits a mercantile customer, as defined in Section 4928.01(A)(19), Revised Code, to file, either individually or jointly with an

electric utility, an application to commit the customer's existing demand reduction, demand response, and energy efficiency programs for integration with the electric utility's programs. Each of the above-captioned applications seek approval of a special arrangement with a mercantile customer with respect to recovery of the electric utility's costs of complying with the energy efficiency and demand reduction requirements imposed by Section 4928.66, Revised Code.

- (2) Each applicant has filed a request to withdraw its application. Accordingly, each of the above-captioned cases should now be closed of record.

It is, therefore,

ORDERED, That each of these cases be closed of record. It is, further,

ORDERED, That a copy of this entry be served upon all parties of record.
