ATTORNEY FOR THE CKAP PARTIES

DATED: January 21, 2011

**BEFORE
THE PUBLIC UTILITIES COMMISSION OF OHIO**

In the Matter of the Application of Ohio Edison Company, The Cleveland Electric Illuminating Company, and The Toledo Edison Company for Approval of a New Rider and Revision of an Existing Rider.

Case No. 10-176-EL-ATA

MEMORANDUM IN SUPPORT

The CKAP Parties request a subpoena pursuant to Rule 4901-1-25 of the Ohio Administrative Code, to command Mr. Michael W. Challender to appear and provide oral testimony on January 27, 2011, at 10:00 a.m., and attend the hearing from day to day until called to testify by the CKAP Parties at the PUCO offices, 180 E. Broad Street, Columbus, Ohio 43215, in the above captioned proceeding.

The above-captioned case involves charges by FirstEnergy to customers for electric service and the marketing of all-electric rates to the general public and builders of all-electric homes. Mr. Challender is a former employee of FirstEnergy and entered into agreements with Bob Schmitt Homes, Inc., a developer of residential all-electric homes. Mr. Challender's first-hand knowledge of these matters and insights concerning sales activities at FirstEnergy are important to this case and provides information that the PUCO seeks in this case.

Mr. Challender's full participation will facilitate a full and complete development of the case before the PUCO, including the ultimate record upon which the PUCO will base its decision.

Respectfully submitted,

K. Corcoran
