

INTRASTATE CARRIER COMMON LINE ACCESS SERVICE
REFERENCE TARIFF

ACCESS SERVICE TARIFF

The rates, charges and conditions for the provision of Intrastate Carrier Access Service are as specified in the National Exchange Carrier Association, Inc. ("NECA") Tariff F.C.C. No. 5, Tariff F.C.C. No. 3, and Tariff F.C.C. No. 4, as filed with the Federal Communications Commission, as each now exists and as each may be revised, added to, or supplemented. The effectiveness of Section No. 4, End User Access Service, of the NECA Tariff, as applied to intrastate customers, has been suspended by the Public Utilities Commission of Ohio ("PUCO"). The rates, terms, and conditions for Intrastate Carrier Common Line Access Service are set forth herein.

The Telephone Company mirrors NECA Tariff F.C.C. No. 5 (hereinafter, the "NECA Tariff") for the provision of Intrastate Carrier Access Service with the following exceptions:

Section 4 End User Access Service
 Suspended by the PUCO

Section 6 Switched Access Service

Glandorf Exchange: Switched access rates applied to the intrastate jurisdiction shall remain at the levels existing on December 31, 1997.

Edge Out Exchange (as set forth in Section 8 of the Company's PUCO Tariff No. 5): Pursuant to the Commission's Finding and Order issued May 28, 2008 in Case No. 08-117-TP-WVR, the Company shall, over a 3-year period, reduce its intrastate access rates annually by one-third of the difference between the rates charged in the Glandorf Exchange (as "frozen" in 1997) and the current switched access rates set forth in NECA Tariff FCC No. 5. Therefore, the intrastate switched access rates in the Company's Edge Out exchange shall be calculated as follows:

- Effective **February 22, 2010**: $\frac{2}{3}$ (Glandorf 1997 "frozen" rates minus current NECA switched access rates) plus then-current NECA switched access rates.
- Effective **February 22, 2011**: $\frac{1}{3}$ (Glandorf 1997 "frozen" rates minus NECA switched access rates effective February 22, 2010) plus NECA switched access rates effective February 22, 2010.
- Effective **February 22, 2012**: Equal to then-current NECA switched access rates.

Glandorf Telephone Company, Inc. is a rural ILEC competing with a nonrural ILEC in a rural area.
