for cost recovery only. Duke will not join PJM until January 2012, providing sufficient time for a full consideration by the Commission of this issue outside the confines of an accelerated MRO proceeding.²⁶

4. **OEG Agrees With Staff's Recommendations With Respect to Rider RECON and Rider UE-GEN.**

OEG supports the recommendation of Staff witness Tamara Turkenton with respect to the treatment of Rider RECON and Rider UE-GEN.

Duke is requesting the establishment of Rider RECON in order to collect the over or under recovery balances remaining as of December 31, 2011 pertaining to Rider PTC-FPP and Rider SRA-SRT under the current ESP. OEG agrees with Staff that Rider RECON should only be collected on a fully bypassable basis. It is appropriate to collect Rider RECON on the same fully bypassable basis as Rider PTC-FPP.²⁷

Duke's proposed Rider UE-GEN seeks to recover the cost of bad debt associated with Duke's SSO. With respect to Rider UE-GEN OEG agrees with Staff that an uncollectible rider for generation is not allowable under R.C. 4928.142(D). Duke's request to recover these costs through Rider UE-GEN should be rejected.²⁸
