ENTRY

The attorney examiner finds:

- (1) A hearing was concluded in this matter on August 19, 2009.
- (2) On December 20, 2010, the attorney examiner issued an entry that, among other things, re-opened the hearing and scheduled February 17, 2011, as the hearing date. In addition, the entry also scheduled a settlement conference on January 27, 2011.
- (3) The settlement conference was convened as scheduled on January 27, 2011.
- (4) Based on conversations among the parties at the settlement conference, it was determined that, in lieu of a hearing on February 17, 2011, a telephonic status conference should be conducted.
- (5) The parties' determination to conduct a status conference on the currently scheduled hearing date is reasonable and should be accommodated. If necessary, the hearing can be rescheduled by a separate entry at a later date.
- (6) Accordingly, the currently scheduled hearing should be rescheduled as a telephonic status conference. On February 17, 2011, at 10:00 a.m., the parties should call the Commission's telephone bridge number, 614-644-1080, in order to participate in the status conference.

It is, therefore,

ORDERED, That the February 17, 2011, hearing in this case be rescheduled as a telephonic status conference in accordance with Finding (6). It is, further,

ORDERED, That a copy of this entry be served upon each party of record.
