GENERAL REGULATIONS GOVERNING SERVICE (continued)

---

B.

- 5) Disconnection of service for nonpayment is prohibited if the disconnection of service would be especially dangerous to health as certified pursuant to the certification provisions as specified in Rule 4901:1-15-27 of the Ohio Administrative Code.

C. Those Company employees who normally perform the termination of service will be authorized to either:

- 1) Accept payment in lieu of termination;
- 2) Be able to dispatch an employee to the premises to accept payment; or
- 3) Be otherwise able to make available to the customer a means to avoid disconnection.

Such employees at the premises may or may not be authorized to make extended payment arrangement at the discretion of the Company.

12. In any case in which two or more customers are supplied through one service line and the Company is entitled under Subsection 11, above, to discontinue service to any or all of them, the Company shall notify the customer (s) of non-compliance with the provisions of Section 3-5, Sheet No.1, paragraph 3 and Section 3-6, paragraph 3 of this tariff. Customer shall have thirty (30) days to comply with said provisions or be subject to disconnection. The Company shall have the right to access the customer service line and meter to isolate the customer (s) whose actions/inactions subject the customer to disconnection.

13. If a customer whose service has been disconnected for non-payment of bills or for violation of or failure to comply with regulations of the Company desires a reconnection, such reconnection may only be made after the customer:

- a) Has paid the full amount of arrears for which service was disconnected; or
- b) Has made a deferred payment plan between the customer and the Company; and
- c) Has paid a reconnection or turn-off fee as set forth on each Division's rate schedule included in Section 4 of this Tariff; and

12. In any case in which two or more customers are supplied through one service line and the Company is entitled under Subsection 11, above, to discontinue service to any or all of them, the Company shall notify the property owner that he must do one of the following:
- a) Within 30 days, install separate outside shut-offs, in a location approved by the Company, for each of the meters so that the Company can discontinue service to only the offending customer(s);
  - b) Within 21 days, install a setting for a single meter, in a location approved by the Company, to service the property and request service be placed in his name;
  - c) Pay the outstanding bill on account of the offending customer(s) and put the account in his name going forward;
  - d) Provide access to Company personnel to the offending customer(s) meter or separate shut-off during normal business hours in order to assure service to the offending customer(s) can be disconnected.

In the event the property owner selects one of the above options and that option fails to work, the property owner may select one of the three remaining options in lieu of disconnection of service to the building.

The property owner shall notify the Company, within 7 days of receiving the above notification, of which option he is choosing. In the event the property owner does not comply with the above, at least 10 days notification will be given to both the property owner and tenants prior to discontinuing service to the property.
