RECEIVED-DOCKETING DIV  
2011 FEB 10 PM 2:40  
PUCO

Notes: I purchased my All Electric duplex in 1977 from the builder of three all electric duplexes, also a employee of First Energy at that time,a lineman.The first questioned we asked him was the cost of electricity,and he assured us of the all electric permanent discount we would receive,without this discount we would never have purchased a all electric home! If you do not stop First Energy from taking our discount away,which you had no legal right to let them take it away to begin with,we will sue both of you!We want the discount returned,and all over payments returned,nothing else!Why are you people appointed,and not elected,you do not represent the consumer in your biased opinions! We cannot even sell our home without this discount,only a idiot would buy a all electric home without this discount.
