ie: All Electric Home Discount

Dear PUCO,

As a senior citizen in this ever changing economy, the stressful situations we have been put into, have been devastating. Many things are out of our hands, but the issue of increased electric utility rates by losing the "All Electric Home Discount" is unconscionable.

We were advised by the sales staff here at Columbia Park, a manufactured home community for 55 and older, when we bought our homes, that we will be receiving the "All Electric Home Discount". That discount has been in existence for over four decades. We can not afford to lose it. Many neighbors have had to leave Columbia Park due to uncontrollable financial circumstances.

As seniors we are not part of the greedy generation, we are only attempting to survive as we move forward in our lives since we moved to Columbia Park, sometimes referred to as "God's waiting room".

You have heard many stories over the last ten months or so about this issue. PUCO, please . . . we need you to consider us in your decision and need to have this "All Electric Home Discount" permanent.

Thank you,

Additional comments

I am a single senior living in Columbia Park with a all electric home (plus a hot pump). With the cost of food, gasoline, medical expenses on the rise and no cost of living increase in our checks, it is going to be quite hard to afford a increase in the all electric home and be able to afford food or transportation. I only hope that the "All Electric Home Discount" will be continued. Thank you for your time and with high hopes that the discount will be continued for all seniors who live in Columbia Mobile Home Park. Sincerely Audrey Cyran
