TARIFF FORMAT

A. Sheet Numbering: Sheet numbers appear in the upper right corner of the page. Sheets are numbered sequentially. However, new sheets are occasionally added to the tariff. When a new sheet is added between sheets already in effect, a decimal is added. For example, a new sheet added between pages 11 and 12 would be page 11.1.

B. Sheet Revision Numbers: Revision numbers also appear in the upper right corner of each sheet where applicable. These numbers are used to indicate the most current page version on file with the Commission. For example, 4th Revised Sheet 13 cancels 3rd Revised Sheet 13. Consult the Check Sheet for the sheets currently in effect.

C. Paragraph Number Sequence: There are nine levels of paragraph coding. Each level of coding is subservient to its next higher level:

- 2.
- 2.1
- 2.1.1
- 2.1.1.A
- 2.1.1.A.1
- 2.1.1.A.1.(a)
- 2.1.1.A.1.(a).I
- 2.1.1.A.1.(a).I.(i)
- 2.1.1.A.1.(a).I.(i).(1)

D. Check Sheets: When a tariff filing is made with the Commission, an updated Check Sheet accompanies the tariff filing. The Check Sheet lists the sheets contained in the tariff, with a cross reference to the current Revision Number. When new sheets are added, the Check Sheet is changed to reflect the revision. All revisions made in a given filing are designated by an asterisk (*). There will be no other symbols used on this sheet if these are the only changes made to it (i.e., the format, etc. remains the same, just revised revision levels on some sheets). The tariff user should refer to the latest Check Sheet to find out if a particular sheet is the most current on Commission file.

One-time customer notice of detariffing

10701 Danka Way N., Suite 100
St. Petersburg, Florida 33716

February 11, 2011

Dear GoSolo Customer:

Beginning on March 15, 2011, the prices, service descriptions, and the terms and conditions for services other than local flat rate services that you provided by Go Solo Technologies, Inc. will no longer be on file at the Public Utilities Commission of Ohio (PUCO).

This modification will not automatically result in a change in the prices, terms, or conditions of those services to which you currently subscribe. GoSolo must still provide a customer notice at least fifteen days in advance of any rate increases, changes in terms and conditions and discontinuance of existing services. Additionally, you will be able to view the company's future service offerings online at www.gosolo.com, or by calling GoSolo at the toll free number 866-246-7656.

Since these services will no longer be on file with the Commission, this means that the agreement reached between the customer and the company will control new services or changes in service, it will be important that you carefully review and confirm the price, terms and conditions.

If you have any questions about this matter, please call GoSolo at 866-246-7656. You may also visit the consumer information page on the PUCO's website at puco.ohio.gov for further information.

Sincerely,
GoSolo
