THE PUBLIC UTILITIES COMMISSION OF OHIO

In the Matter of the Filing of Annual)
Reports for Calendar Year 2010 by) Case No. 11-08-RR-RPT
Intrastate Railroads.)

ENTRY

The Commission finds:

- (1) Section 4907.20, Revised Code, requires a railroad company to complete forms submitted to it by the Commission. An annual report form or on-line reporting application is posted with instructions at www.puco.ohio.gov/puco/docketing. Each railroad listed on the attachment to this entry shall file its annual report in this case by May 2, 2011.
- (2) Each railroad on the attached list must file an annual report with the Commission even if the railroad was not in business or did not have intrastate gross earnings during calendar year 2010. Failure to file an annual report may result in revocation of a company's authority to operate in Ohio.
- (3) Each railroad must file its annual report under its exact name used in its previous report, unless the railroad has filed a name change notification with the Commission, and has referenced the case number in its annual report. If the railroad has not yet filed to formally change its name with the Commission, the railroad's annual report should reflect the prior name of the railroad, along with a dba (doing business as) designation and the new company name.
- (4) Pursuant to Section 4905.54, Revised Code, any public utility's failure to comply with the Commission's directive may result in the assessment of substantial penalties. All information required to be submitted in a company's report is subject to audit by the Commission. All annual reports received by the Commission are public records and will not be accorded confidential treatment.
- (5) In Case No. 09-01-AU-UNC, the Commission established electronic filing (E-filing) processes for annual reports to promote efficiency and reduce expenses. These processes incorporate the procedures adopted in Case No. 06-900-AU-WVR to permit the E-filing of

documents via the internet using the Commission's Docketing Information System, pursuant to Ohio's Uniform Electronic Transactions Act, Chapter 1306, Revised Code. The procedures established in that case provide for the voluntary participation of parties who agree to conventions for validation of filings and signatures, electronic service of documents, and waiver of certain requirements contained in Rules 4901-1-02 to 4901-1-04, Ohio Administrative Code. Further information regarding E-filing is posted under "Electronic Filing Information & Links" at www.puco.ohio.gov/puco/docketing.

- (6) The Commission expects all reporting companies to cooperate in the transition to a paperless filing process by subscribing to the appropriate industry listserve(s), and by filing their reports electronically. All intrastate railroads, who have not already done so, should subscribe to the railroad industry listserve, and take appropriate actions to ensure that electronic mail service from the Commission is not blocked or disabled. In addition, multiple addresses should be subscribed to ensure that service is completed. Any issues with electronic filing or mail service should be reported to the Commission's Docketing Division at (614) 466-4095.

It is, therefore,

ORDERED, That each listed railroad file its annual report to the Commission no later than May 2, 2011. It is, further,

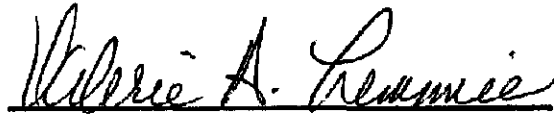

ORDERED, That notice of this entry be served upon via the railroad industry listserve.
