MEMORANDUM IN SUPPORT OF WAL-MART STORES EAST, LP AND SAM'S EAST, INC.

On January 27, 2011, Columbus Southern Power Company and Ohio Power Company (collectively, "AEP-Ohio") filed an application for a standard service offer (SSO) pursuant to Section 4928.141, Revised Code. The Commission adopted a procedural schedule that included March 14, 2011 as the deadline for intervention. Walmart seeks to participate in these proceedings as an intervenor and its petition to intervene in these proceedings is timely filed.

Section 4903.221 of the Ohio Revised Code and Rule 4901-1-11 of the Ohio Administrative Code establish the standard for intervention in the above-styled proceedings as a full party of record. In examining whether a party should be permitted to intervene in a proceeding, the Public Utilities Commission of Ohio ("the Commission") considers, among other factors, the direct interests of the party, whether the intervention by the prospective party will unduly prolong or delay the proceedings, whether the party will significantly contribute to the full development and equitable resolution of the factual issues. A review of these factors in light of the following facts supports granting Walmart's intervention.

Walmart is a national retailer of goods and services throughout the United States. Walmart has offices at 2001 SE 10th Street, Bentonville, Arkansas 72716-0550. Walmart has the privilege of providing its retail services in the State of Ohio. Walmart has approximately 67 facilities in AEP-Ohio's service territory. These facilities include Supercenters, Sam's Clubs, Discount Stores, distribution centers and gas stations. Walmart is a large customer of AEP-Ohio, purchasing approximately 270,000,000 kWh annually from AEP-Ohio. The outcome of these proceedings is likely to impact (1) the price, reliability and adequacy of the electric service Walmart receives from AEP-Ohio to use in its Ohio operations and (2) the price paid for electric service by customers who are supplied by competitive suppliers. In other words, Walmart has a direct and substantial interest in the outcome of these proceedings that is unique in that it is a single commercial customer that purchases substantial amounts of electric and related services from AEP-Ohio. Further, Walmart submits that its participation will not delay the proceedings nor prejudice any parties. Finally, Walmart intends to submit testimony, participate in hearings and brief issues in a manner that will assist with the development of a full evidentiary record.

Wherefore, for the foregoing reasons, Walmart respectfully requests that the Commission grant this motion for leave to intervene and that the rights of a full party of record be conferred upon it. For purposes of receiving service in the proceeding, in addition to the undersigned, Walmart requests that the following persons be placed on the official service list:

Holly Rachel Smith Holly Rachel Smith, PLLC Hitt Business Center 3803 Rectortown Road

Marshall, VA 20115

Accordingly, Walmart has a real and substantial interest and is entitled to intervene in this action under Ohio Revised Code Section 4903.22.1 and Ohio Administrative Code Rule 4901-1-11.

Respectfully submitted,

WAL-MART STORES EAST, LP
