Re: Douglas Bouch

Dear PUCO Docketing Division:

I am writing to request a continuance of the Prehearing Conference currently scheduled for April 12, 2011. For cause, a scheduling conflict precludes attendance of counsel for Douglas Bouch at the hearing. Counsel are in communication with Attorney Examiner James Lynn to establish a new date for the Prehearing Conference.

Thank you for your attention to this matter.

Respectfully,

ROETZEL & ADDRESS, LPA
