Docketing Case No.:09-1947-EL-POR

**Notes:**

I am appalled that the PUCO, a supposed watchdog for the consumer, is letting a public utility charge us for a service we did not ask for and do not want. I do not need them to buy my lightbulbs, pick up my old appliances, or teach me how to conserve. This unvoted, unneeded charge is nothing more than a hidden tax that the PUCO Board should be held accountable for.

Please docket the attached in the case number above.
