Docketing Case No.: 09-1947-EL-POR

Notes:

You people make me sick to my stomach! You ruled with First Energy in mind and how many of you received money under the table for voting the way you did! I already have 95 % of CFL's in my home and this is an absolute joke of a mandate! Now, I end up paying almost twice as much because this was in your hands? You are a bunch of "Creeps". I can hardly wait for your decision on all electric homes!!!! First Energy bought the Illuminating Company and "They" should have been well aware of the consequences beforehand. Period!!!!!!!!!!!!!!!!!!!! Believe this or not...The Illuminating Company willfully promoted all electric homes. I remember. First Energy willfully bought into a liability in this sense and maybe not an asset. Is this my fault?

Please docket the attached in the case number above.
