Dear Sir or Madam:

The Public Utilities Commission of Ohio ("PUCO") has ordered the "de-tariffing" of the services that we provide to you. Consequently, the prices, service descriptions, terms and conditions for services that you are currently being provided by ABA Net, LLC will no longer be on file at the PUCO after April 19, 2011.

This modification of regulatory practice **does not change the prices, terms, or conditions of those services to which you currently subscribe in Ohio.** ABA Net must still provide you – the customer – with at least fifteen days' advance notice of any rate increases, changes in terms and conditions or discontinuance of existing services. Additionally, you will be able to view rates, terms and conditions for the company's current and future service offerings online at www.abanet.us or you can request a written copy of this information by contacting the Customer Service Department toll free at 1-866-862-7232 or by mail at 11510 Georgia Avenue, Suite 101, Silver Spring MD 20902.

Since the information about these services will no longer be on file with the PUCO, the terms and conditions accepted by you pursuant to the "Customer Service Agreement – All Jurisdictions" together with the applicable Ohio Price List, as posted online at www.abanet.us, will control new services or changes in existing service. For any new services or changes in existing service, it will be important that you carefully review and confirm the price, terms and conditions prior to their becoming effective.

If you have any questions about this matter, please call ABA Net Customer Service Department at the toll free number, 866-862-7232, or visit us at www.abanet.us. You may also visit the consumer information page on the PUCO's website at puco.ohio.gov for further information.
