Dear Customer,

Beginning on April 19, 2011, the prices, service descriptions, and the terms and conditions for services other than a primary telephone line or local flat rate service provided by Norlight, Inc. will no longer be on file at the Public Utilities Commission of Ohio (PUCO). This is an informational notice only. No action is required of you. There will be no changes to the services or to the amounts you now pay for your Windstream services on the effective date of the regulatory changes described below.

This regulatory modification does not automatically result in a change in the prices, terms, or conditions of those services to which you currently subscribe. Norlight must still provide a customer notice at least fifteen days in advance of rate increases, changes in terms and conditions and discontinuance of existing services.

Since these services will no longer be on file with the PUCO, terms and conditions for new services or changes in service will be available online at windstream.com and/or detailed in your service agreement.

If you have any questions about this matter, please call Norlight at 1-800-599-5000 (business customers) or 1-800-599-1000 (residential customers), or visit us at www.norlight.com. You may also visit the consumer information page on the PUCO's website at puco.ohio.gov for further information.

Sincerely,
Norlight, Inc.
