To whom it may concern:

My name is Glenn Weaver, and I am the Controller for Shady Maple Farm Market, Inc. in East Earl, PA. I had submitted 4 applications on 3/22/11 for certified renewal energy generating facilities. The Ohio case # of those applications was 11-1303, 11-1304, 11-1305, and 11-1306. I listed myself as the authorized representative and contact person on each of those applications, however I had made a few mistakes when filing those applications and am now working with an SREC aggregator to get them fixed, and also to sell our REC's as the systems become certified.

The aggregator I am working with is Knollwood Energy, LLC, and I would like to appoint them as an authorized representative of Shady Maple Farm Market, Inc. in regards to our applications mentioned above, and any other renewable energy certification applications which I have filed (11-0153, 11-0072, and 11-1384). Gary Lakritz of Knollwood Energy, LLC has been my contact thus far, and is granted access to make changes on our behalf in serving as our SREC aggregator.

Thank You,

Glenn A. Weaver, Jr.
