19. Termination of Service

19.1 Termination of Service by the Subscriber's Request

19.1.1 General

- A. If service is discontinued within a period less than one month following the date of installation or conversion, the minimum charge for one month's use of service at the rate in effect during the period of service plus any charges for toll service, service connection, nonrecurring and construction charges will apply.
- B. After the subscriber has received service for more than one month, the charges are for the period of which service are furnished. **The charge for a fractional part of a month is the pro rata portion of the monthly charge based on a thirty (30) day month.** (C)
- C. In cases when service terminates and the initial contract period is more than one month, the termination charges will be the charges due for the unexpired portion of the initial contract period.

19.1.2 Change of Name Contract

Minimum charges for service do not apply to service terminated when such service are contracted for in another name without lapse of charges for service and when no service connection is made for the transfer of service.

19. Termination of Service

19.2 Termination of Service by the Company

19.2.1 General

- A. The Telephone Company must notify, or attempt to notify, a subscriber before service is refused or disconnected when any of the following conditions exist:
1. A violation of or noncompliance with the Commission's current regulations governing service supplied by the Telephone Company;
  2. A violation of or noncompliance with the Telephone Company rules or tariffs;
  3. A failure to comply with municipal ordinances or other laws pertaining to telecommunications services; or
  4. A refusal by the subscriber to permit the Telephone Company necessary accesses to its facilities or equipment.
- B. The Telephone Company may not disconnect the local exchange or interexchange service or a subscriber who pays the Company the total amount due (or an amount agreed upon between the Company and the subscriber to prevent disconnection) on the customer's account by the close of business on the disconnection date listed on the disconnection notice.
- C. The Telephone Company may disconnect the subscriber's service without notice for emergency reasons, upon a court order, or if service was obtained in violation of the tariff.
- D. Residential customers whose telephone services have been temporarily denied for nonpayment will continue to have access to 9-1-1 Service (outgoing service only) for fourteen (14) days.
- E. Disconnection of a customer's service will be made in accordance with the rules specified in this tariff as well as the Minimum Telephone Service Standards.
- F. Inclusion of early termination liability by the Company in its tariff or a contract does not constitute a determination by the Commission that the termination liability imposed by the Company is approved or sanctioned by the Commission. Customers shall be free to pursue whatever legal remedies they may have should a dispute arise.

April 1, 2011

Dear Valued Customers:

Beginning on April 1, 2011 the prices, service descriptions, and the terms and conditions for certain telecommunication services that are provided by ValTech Communications will no longer be on file with the Public Utilities Commission of Ohio.

Services are affected; Remote Call Forward, Privacy ID, Features and Rates, Special Package Offerings for Residential, Call Blocking, Directory Listing rates, Directory Assistant Service Rates, Operator Service Charges, Promotional Trails for Residential, Circuit Mile Charges, and Local Calling Areas.

You will be able to find these services on our website [www.valtech.info](http://www.valtech.info), or you can request a copy of this information by contacting the Customer Service Department at P.O. Box 831 Reynoldsburg, OH 43068 or by calling 800-800-7444.

This change does not affect the price, terms or conditions of those services to which you currently subscribe. These services continue to be regulated by the Public Utilities Commission of Ohio.

If you have any questions about this matter, please call ValTech Communications at 1-800-800-7444 or visit us at [www.valtech.info](http://www.valtech.info).

Sincerely,  
ValTech Communications
